

Welcome to the Aichi Gakuin University CJLC (Center for Japanese Language and Culture) newsletter. We hope you are all keeping safe. Unfortunately, due to unprecedented international circumstances caused by COVID-19, the spring course in 2020 has been cancelled. Still at AGU, we would like to offer as many opportunities as possible to learn Japanese language and culture. Therefore, we have changed the number of exchange students from each of our partner universities, from 2 students to **4 students**, for the autumn semester in 2020. Applications are open now.

We are also working hard to improve (Kaizen) our courses. Here are some of the improvements for the autumn semester in 2020:

1. Increased classes so that we will be able to accept more exchange students.
2. A new class in which exchange students will be able to communicate with Japanese learning assistants (LAs).
